

APIOH MemorialsSM

Connecting Past, Present, and Future Generations

HOW WILL YOU BE REMEMBERED?

APIOHSM is a company dedicated to creating an environment where organizations can provide their members the ability to respectfully honor the memory of a deceased family member, friend or associate.

Our goal is to help organizations assist their membership to see through their loss of loved ones and acquaintances and focus on the lives those individuals lived.

FEATURES

Connecting Organizations and their Members

APIOHSM keeps organizations and their members close by storing and presenting valuable information about loved ones that could otherwise be lost.

Stay Connected No Matter Where Life Takes You

Let your members view your organization's memorials in your building on the APIOH ViewSM display, or across the globe via the internet.

Easy to Operate and Maintain

Each organization has full control to edit and update their own information from any internet connection. They can also administer their members' memorials through their own web interface.

Maximize Existing Wall Space

APIOHSM's unique system allows organizations to enhance or replace their memorials and help save valuable wall space while significantly increasing plaque and data capacity.

Let us see their faces, hear their voices and share what they mean to us now, even after they have left us.

APIOHSM – A Place In Our Hearts is dedicated to memorializing our dearly departed respectfully within your organization on our APIOH ViewSM memorial board and globally through our web based application. Through our interactive technology, APIOHSM keeps loved ones connected wherever life may lead them.

Their deaths are not trivial. Their memory is dear to us and to our future generations. APIOHSM allows us to remember a loved one or anyone who had an impact in our lives by providing a place to revisit with that individual through photographs or personal expression.

APIOHSM also allows us to share our thoughts about that special someone with others. We can never bring back those special individuals, but their memories never have to leave us. They will always occupy...

A Place In Our Hearts.

APIOH MEMORIALSSM

PRODUCT FEATURES AND SPECIFICATIONS

Don't focus on their deaths. Focus on their lives! APIOHSM makes it easy to share important details and help honor and remember supporters and loved ones.

APIOH MemorialsSM offers personalized biographies, memorials and pictures. APIOHSM also allows for genealogical services, listing relatives & linking them together in the system.

APIOHVIEWSM INTERACTIVE DISPLAY

Interactive display within your organization offers enhanced recognition of the dearly departed

Intuitive Touch-Screen allows for easy navigation

Uses considerably less wall space, and provides more in-depth information than traditional plaques

Available in screen sizes starting at 32"

Automated enabling/disabling of Touch-Screen available

WEB BASED VIEWING

Connect your organization with the world. Stay connected wherever you are

APIOHSM information can be viewed over the Internet through the APIOHSM web site or as a link on your organization's web page. Through that link, APIOHSM becomes a valuable resource for death, dying and bereavement information

WEB BASED ADMINISTRATION

Access to the administration homepage from any Internet connection

Add, change, or delete information at the touch of a button

Start and schedule notices at any time

REVENUE GENERATION

APIOHSM provides your members with sponsorship opportunities to help support the organization while honoring the memory of a loved one

Sponsorship opportunities include:

- The APIOHSM system and display
- Virtual plaques, biographies, memorials, photo albums
- Weekly sponsorships
- Notices
- Events and gifts that can be recognized through APIOH's scrolling ticker
